

Clergy and Police Partnership (CAPP)

The CAPP program is looking for a few good ministers. CAPP (Clergy and Police Partnership) is forming a new Pastors Police Academy. Pastors and Ministry Staff are trained by the Beaumont Police Department and then ride with officers on their shifts. CAPP ministers are making a difference in our city by ministering to the hurting victim and free the officer to do his job. Ministers are also there to be a spiritual support to the officer and the department. This is an opportunity for those who want to bless Beaumont and build the Kingdom of God in our city. Any interested pastor or assistant, who would like to be a part of CAPP can submit an [application](#) to the BPD. For more information regarding upcoming CAPP Pastors Police Academy please contact Sgt. Mike Earney at mearney@ci.beaumont.tx.us.

Coming soon! BAPC Building Bridges Roundtable

In the planning is a new event for BAPC called Building Bridges. Building Bridges is a Pastor/Community Leader Roundtable with the purpose of conducting regular, regional lunch roundtables to network pastors and elected officials at every level as a means of developing stronger communications and relationships between the two groups of community leaders. We desire to bring sound, Biblical influence and prayer to governing leaders and create consistency in the involvement of churches in the civic arena. The present plans are to have this 3 or 4 times per year.

Each quarterly luncheon forum will include:

- Opening prayer
- Lunch break
- Community Leader introductions
 - Senior Pastors, elected officials, education professionals, law enforcement
- Message of the Day
- Issues Forum (Opportunity to allow participants to present issues for discussion)
Summary - Action items for pastors/prayer for officials
